SID JACOBSON EDITOR
LISA TRUSIANI ASST. EDITOR

c/o STAR COMICS, 387 PARK AVE. SOUTH, NYC, NY 10016

Hey, kids—Since we print your name, city, and state, please include them on your letters.

Dearest ALF,

I'm 12 years old and a big fan of yours. I love your show, comic books, posters, magazines. I even voted for you for president.

I wish you and I could swap letters. But I know you don't have time to write to a 12 year old kid.

I think it stinks to have a planet blow up like that. Well, the reason I wrote is because I want to know how to be cool. I want to get a girl to like me.

My friends think I'm from Melmac.

James Nix
Pasadena, TX

If you're from Melmac, James, you know what it takes to be cool. Carry an inexhaustible supply of chocolate covered slug centers, use pine scented deodorant (also good as an athlete's foot remedy, or a bathroom air freshener) and sleep in the refrigerator (no wearing socks allowed).

Dear ALF,

Hey bud, how ya doing? You're my favorite TV star and I'm your best fan!

If I didn't know better, I'd say we were twin brothers! We love the same things - food and good 'ol burps! My Mom hates it! I think it's hilarious. We even like the same music - Nuns or Noses.

Ha, I kill me. Oh, I think you should make an ALF Classics.

Michael Henderhan
Lawton, OK

Thanks for allowing me to segue into one of my favorite topics - ALF comic books! You want some ALF classics? We got 'em, coming to bookstores near you. The first three issues of ALF are being reprinted in graphic novel form!

Dear ALF,

I like the jokes you tell.

I watch your TV show too.

I think you should write a comic book about your shrinking and making friends with the ants and a comic book with you growing into a giant and accidentally stepping on cars.

Preston Woods
Cookeville, TN

Maybe a future issue of ALF will show our furry alien befriending ants. But I think it's more likely that he'd eat them. They are considered a delicacy in some countries, not to mention some planets.

We like your story ideas, Preston. You may enjoy reading, *One Tiny Mistake* in ALF #3, and *Melmacattack of the 50 Foot ALF*, in ALF #13.

Dear ALF,

I love your comic. I have every issue and special and annual that's out.

You're a great mural painter, as in ALF #25, *The Silver Anniversary*.

I would like to see more of the "Wotif" simulator.

So, I hope your comic goes at least to issue #100.

I would like to see ALF dress up like "Spider-Melman" and fight "Melmysterio."

Keep up the good work.

Teddy Dastick
Bellmawr, NJ

Thanks, Teddy.

Dear ALF,

Have you been good all year? I have been good all year. I always watch your show every Monday.

On my birthday, I had an ALF cake with my name on it and my Mom's name on it.

My friends, B.J. and Amber, say "Hi." B.J.'s real name is Benjamin.

Well, that's all.

Marisa Hill
McKeesport, PA

Of course, ALF has been good, Marisa. Wicked good!

IF YOU LIKE ALF... YOU'LL LOVE JOHN CANDY IN...

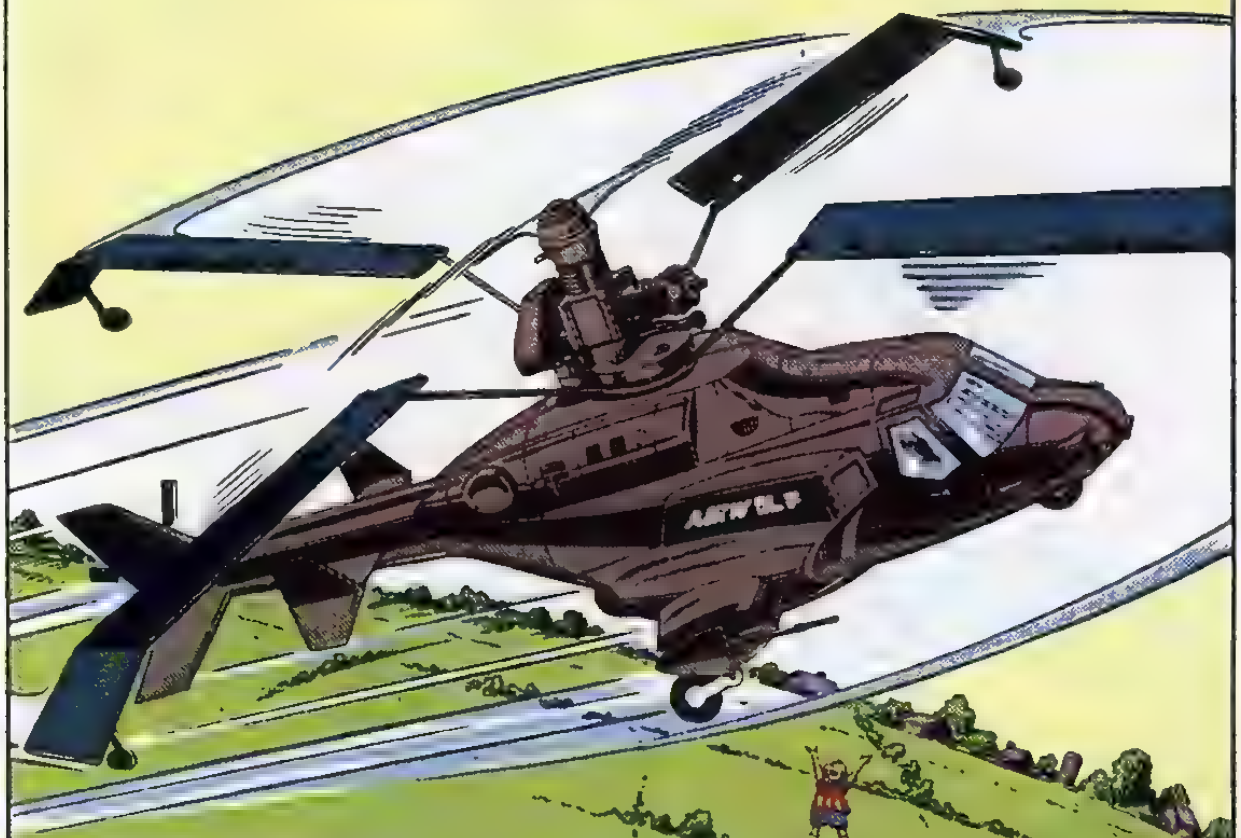
AIRWOLF™

REAL ENGINE POWERED MODEL HELICOPTER

YOU CAN FLY!



Flying your own Airwolf helicopter is a blast! But it's not for the timid. That's because the Airwolf's powered by a real piston driven Cox .049 engine. Fire that baby up, watch the Airwolf's huge blades gain rotation speed and let it fly. Your Airwolf climbs a hundred feet into the sky! Then, the engine runs out of fuel. Your Airwolf begins to fail! But no worry — everything's cool. The sudden loss of altitude causes the auto-rotation blades to change pitch. Your Airwolf slows and settles in for a perfect soft landing. You're proud! You proved your ability! You can fly our own Cox .049 engine powered Airwolf helicopter! Visit your favorite hobby shop or other retailer to get yourself an Airwolf and have a blast!
